

PROVISIONAL RESULTS OF THE METROPOLITAN MEETING
HELD AT THE CRYSTAL PALACE ON SEPTEMBER 2ND 1969
INCORPORATING THE FINAL ROUNDS OF THE CASTROL
BRITISH NATIONAL ROAD RACE CHAMPIONSHIP FOR 350
AND 500cc MACHINES

Finish.	Riding No	Rider	Machine	Time	Speed
---------	-----------	-------	---------	------	-------

EVENT 1-250cc

This race was declared null and void following the failure to run the race at full distance. It was re-run as Event 14 over six laps instead of the ten laps due to the fact that the spate of accidents ran the race too close to the 5.50pm deadline at which the circuit had to be free of all noise from racing engines.
